

PACKING & SHIPPING TIPS

PAKMAIL®

We ship anything anywhere!

At Pak Mail of Spring Hill, we understand the ins and outs of packing and shipping anything anywhere. We use the safest, most reliable methods to pack and ship everything from boxes and crates to equipment, machinery and freight domestically and overseas.

- Visit Pak Mail of Spring Hill and consult with experts.
- Use new corrugated shipping containers.
- Use appropriate shipping crates, packing and cushioning materials.
- Wrap items individually.
- Avoid shipping or handling hazardous materials.
- Write clearly on address labels.
- Place an additional address label inside the box.
- Get a receipt with delivery and tracking information.
- Ship with the appropriate carrier.
